Jettribe Racing

---

# SPONSORSHIP LEVELS

## ***Hurry - Registration Space is Limited!***

The 1st Annual **Jettribe Jet Ski Water Sport Expo** will be a great family fun event featuring a day of high-octane entertainment in Sulphur Springs, Texas. We are expecting pro level racers from England, California, and all around the Dallas area. Enjoy a day at Coleman Park with your family, co-workers, and friends. Experience the great entertainment, including a stage with live music, local food and business vendors, a product raffle, and of course the action on the water.

Jettribe wants to show appreciation to the City of Sulphur Springs and the EDC for our relocation to Texas from California. We would like to say thank you to the community by sharing our love for watercraft sports. The event will include Jet Ski competitions, Freestyle performances, and a Flyboard demonstration.

How Will Your Business Be Promoted? In addition to the sponsorship benefits listed below, there will be a **Launch Banquet** March 19, 2020 to highlight participating sponsors. Companies will be promoted on Jettribe's social media channels, website, and email customer base. Over 35,000 social media followers from around the world on Facebook, Instagram, and Twitter will receive updates about the event, and individual event sponsor spotlight posts. Mass email marketing will reach Jettribe's 18,000+ active customers, with a demographic of 25 to 45 year olds, household income of \$120,000+, owns 2+ vehicles, and 85% homeowners.
